The apology

"Sometimes...sometimes people say things they don't mean. Sometimes, mistakes are made and can't be amended. But...you never know..."

A boy looks around, he's alone. He hugs himself and wander around. His eyes downcast and filled to the brim with tears. He's a mistake. He said somethings. They said somethings. And now...now he's alone once more.

"It's times like this, we need to find who we are. It's times like this, we need to leave the nest. But... you never know..."

Another boy can be seen. He's riding on a dragon. He looks back at the island he's left. He needed to find out where he truly belonged. And until then, he wouldn't return to his home.

"There are reasons why we stray. There are reasons why we just...why

we just can't stay put. But...you never know..."

A girl with short brown hair can be seen exiting a gran castle. She pulls up her hood and heads towards a stable. Once there, she grabs a white horse, mounts on him, and rides off. There was too much out there. And she had to see it all.

"We don't want to hurt you. We don't want to seem...irresponcible. But...you never know..."

_A redhaired girl could be seen riding on a horse in a forest. She seems on edge. Tears stream down her face. She doesn't care where she's going. She just has to get away, even if it hurts. _

"We just wanted to say..."
